Minutes of the 15th Meeting, 31 January 1952, 3:30 P. M.

Present:

[REDACTED] Office of Personnel, Acting Chairman
[REDACTED] Office of Special Operations
[REDACTED] Exec. Secy./Career Service Committee
[REDACTED] Chief, Personnel and Training/OPC
[REDACTED] Office of Current Intelligence
[REDACTED] Office of General Counsel

1. The minutes of the 14th meeting were read and approved.
2. A memorandum dated 25 January 1952 on the subject of Health Insurance Benefits was approved by the Committee.
3. A memorandum entitled "Health Insurance and Medical Benefits" was discussed and it was agreed by the Committee that the memorandum should be expanded for presentation to the GEHA group which will be discussing health benefits with an insurance consultant who is coming aboard. The Working Group felt that the paper, as revised, should specify the benefits that should be "liberalized". The Group questioned whether the third sentence of the fourth paragraph of the memorandum was justified without facts to substantiate it.
4. The Group agreed that [REDACTED] Chief, Medical Staff, should be asked to appear before the Group on the questions of benefits that were now being given to employees and their dependents both here and abroad, and what benefits could possibly be granted if he had a sufficient staff.
5. A paper summarizing the Comparative Disability Benefits available to military and civilian personnel was submitted by the General Counsel's Office. The Group agreed that they would spend some time individually reading the paper and discuss it at a later date.
6. The meeting adjourned at 1700.
